## **Hermeneutics Class (How to Study the Bible)**

*Be prepared for class discussion on the following passages. How would you work through these passages in arriving at the proper interpretation. Be prepared to give evidence for your conclusion.*

---

**Rom. 2:13-15** – The Gentiles “do by nature the things contained in the law” and “are a law unto themselves”. What are these verses saying? Does this refer to some kind of “unknown” law of nature the Gentiles were under?
